PARTICIPATION FUND

Did you know that financial assistance for Town of Devon run programs is available through the Participation Fund?

The Town of Devon believes in creating an inclusive community where all residents can lead a healthy and active lifestyle regardless of economic circumstance. Families are automatically approved if they are in receipt of AISH, EI or Alberta child / adult health benefits. Other funding is determined by family income and size. Maximum allowance is \$250 per family per year. Visit www.devon.ca to complete the online form. Or call **780-987-8325 / FCSS@devon.ca** for more information or a copy of the form.

CANADIAN TIRE JUMPSTART FUNDING

Strong communities include strong kids. We believe all kids should have the chance to run, skate, play, and grow. Canadian Tire Jumpstart® is a community-based charitable program that helps kids aged 4-18 participate in organized sports and recreation such as hockey, dance, soccer and swimming, so they can develop important life skills, self esteem and confidence.

Applications for assistance can be submitted from January 15 to June 1 for spring/summer programs, and from July 1 to November 15 for fall/winter programs.

Visit jumpstart.canadiantire.ca to apply online. Contact **780-987-8332 / programs@devon.ca** for more information.

EARLY DEVELOPMENT INSTRUMENT

As part of our ongoing commitment to the children of Devon, the programs we offer are being purposefully created with one or more of the five developmental domains in mind. Where you see the symbols by the programs you will know what domains they primarily focus on.

DEVELOPMENTAL DOMAINS

Physical Health & Well-Being:

Encouraging physical growth and independence, gross and fine motor skills and coordination.

Social Competence:

Encouraging playing well with others, curiosity about the world, respect for adults and other children, behavior and following rules / instructions, independence, self-confidence and eagerness to explore new things.

Emotional Maturity:

Encouraging age-appropriate emotional understanding, empathy, reflection, and controlled actions (thinking before doing).

Language & Thinking:

Encouraging reading, writing, classification of shapes, numbers, colours, size and concepts.

Communication Skills & General Knowledge:

Encouraging open communication of needs and wants in a socially appropriate way, storytelling and an appropriate awareness of the outside world.

COMMUNITY SERVICES OUTREACH

Older Adults and 65+

Community Service Outreach – Older Adults and 65+ Support program is there to connect you to available resources, assist with applying for benefits and subsidies, coordinate temporary short term respite (via our service providers), and can provide referrals to other agencies. The service coordinates and hosts information sessions, events and activities for older adults.

65+ Support also offers two housekeeping programs, both of which are available to clients aged 65 or over and / or clients with disabilities / restrictive medical needs. These services are available with or without subsidy (following an income based assessment).

I AM GROWING UP

From the day I am born, I am growing up.

I am learning from the world around me.

I am building foundations for life.

Help me be everything I can be.

I am curious.

Show me the wonders of my community.

Fuel my imagination through talking, reading, and playing.

My brain is making new connections every day.

I am amazing.

I am a child.

See me.

Hear me.

Know me.

Youth and Family

This program offers short-term support through one-on-one visits that assist individuals or families to make healthy skill-based improvements in their lives. It is available to children, teens and families in need. The program strives to enhance, strengthen and stabilize families who are experiencing life stress and/or change. Each family circumstance is unique. Family strengths, assets and action-planning will be utilized. Reasons for referrals may include separation or divorce, loss, communication/conflict, parenting strategies, budgeting and more.

For more information on either program, call **780-987-8308** or email CSOC@devon.ca

IT'S GOOD TO TALK SUBSIDIZED COUNSELLING SERVICE

Sometimes you might need some additional support to help you through a difficult or stressful time and a referral to mental health services doesn't seem appropriate. We can help eligible families to receive a limited number of subsidized counselling sessions.

Devon FCSS works together with Karunia Counselling and Family Counselling Centres. Subsidies are based on income. Broadly - for those who do not have children under 18 living at home, you may qualify if you earn less than \$50,000 per household and for those with children under 18 at home this threshold increases to \$75,000.

For a subsidized referral please contact FCSS Coordinator at **780-987-8325**.

SNOW BUSTERS WANTED!

Do you have some time to spare? Even if you can only do one hour every so often, you may be able to help someone who desperately needs it. Be like Buster! Bust some snow!

How it works...

Be a Registered Volunteer Snow Buster

To go through the FCSS program where inquiries come in from the public to request help, all volunteers need to get a criminal and vulnerable persons check (at no cost to you). When that is done, if anyone calls needing help an email gets sent to all volunteers on the list and whoever can help out responds directly to the client. Easy – you only do what you can do, no pressure.

This service is aimed at helping low income seniors, disabled and temporarily infirm residents of Devon.

Call 780-987-8308 to register or apply.

Be a Neighbourhood Volunteer Snow Buster

Does someone in your neighbourhood need a helping hand this winter? Be neighbourly, like Buster, and consider shovelling an extra sidewalk or driveway.

Be a Business Snow Buster

If you have a Devon business license and offer snow clearing as a service, call the office and get on the list of providers. Do you offer discounts? What are your prices? Let us know so we can share it!

In ALL cases: if you are planning to use an ATV or other off highway vehicle to support you clearing snow, you must register for a license with the Town of Devon Bylaw Department.

Benefits to you...

Looks good on your resume for work or college, it feels good to help people, contribute to your community, help build up skills, get you active, gain confidence and knowledge that you make a positive difference.
